

GLASS AND METAL CRAFT

HEAT SOAK TESTED TEMPERED GLASS LIMITED WARRANTY

Glass & Metal Craft warrants its heat soak tested tempered glass to not break spontaneously as a result of Nickel Sulfide (NiS) inclusions at a rate exceeding 0.5% (5/1000) for a period of five years from the date of manufacture.

In the event that the heat Soak tested tempered glass does break in excess of the 0.5% rate as a result of a verifiable NiS inclusion, Glass & Metal Craft will replace the broken heat soak tested tempered glass without charge, FOB nearest shipping point to the place of installation and pay for the costs of reasonable market replacement labor. Glass & Metal Craft will not be responsible for any other expenses or costs, including, but not limited to, incidental, indirect, special or consequential damages. In no event shall Glass & Metal Craft's liability exceed the replacement costs, including reasonable labor, of the glass. The warranty of the replacement glass will be limited to the remainder of the warranty period of the original Heat Soak Tempered glass.

Glass & Metal Craft expressly assumes no responsibility for glass breakage not attributable to NiS inclusion beyond 0.5%; or the following: product failure due to improper usage; product failure due to improper handling, loading, unloading, or storage; incompatibility with other glazing or installation materials, including, but not limited to, coatings, sealants, gaskets, setting blocks, lubricants, insulation or any other materials; faulty installation or building construction; damage caused by water not attributable to the product; failure to adhere to instructions regarding installation and/or maintenance of the unit, including written proof of routine maintenance (consult Glass Association of North America Glazing Manual); improper design; errors in provided specifications; scratches or abrasions to the product; abnormal weather conditions; or damage caused by cleaners, solvents, acids, alkalies or any other chemicals used on or around the product. Glass & Metal Craft reserves the right to inspect in the field any product that is alleged to be defective.

THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THE WARRANTY OF MERCHANTABILITY AND FITNESS FOR PURPOSE AND ALL OTHER OBLIGATIONS AND LIABILITIES ON GLASS AND METAL CRAFT'S PART. GLASS AND METAL CRAFT NEITHER ASSUMES, NOR AUTHORIZES ANY OTHER PERSON TO ASSUME FOR GLASS AND METAL CRAFT, ANY OTHER LIABILITY IN CONNECTION WITH THE SALE OF THE PRODUCT. NEITHER GLASS AND METAL CRAFT NOR ANY OF ITS AUTHORIZED REPRESENTATIVES SHALL HAVE RESPONSIBILITY NOR HAS ANY LIABILITY FOR COMMERCIAL LOSS OR SPECIAL, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES OR FOR COSTS OF REMOVAL OR INSTALLATION INCLUDING LABOR COSTS OF THE PRODUCT, DEFECTIVE OR OTHERWISE

Note: Glass & Metal Craft reserves the right to have a qualified representative survey and alleged defective material and return this material to the factory for inspection before any warranty action can be initiated.
